In this issue

Figurine

Lucy

Figurine for the
【Summer Camp】 scene

FLOORBOARD, BACK WALL, LEFT AND RIGHT WALLS, SCHOOL BUS

We will start assembling the 【Summer, Summer Camp】 scene in this issue. First, assemble the Floorboard and surrounding walls. Then assemble the Door and Handle to build the School Bus.

It's common for American children to attend summer camps away from their parents during the summer holidays. This scene is based on an image of Linus and Lucy boarding their school bus. Here they're heading for summer camp, fully prepared with their fishing rods and rackets.

※ Actual parts may vary from the photo.

【Summer, Summer Camp】

Assembling the Floorboard, Back Wall, Left and Right Walls

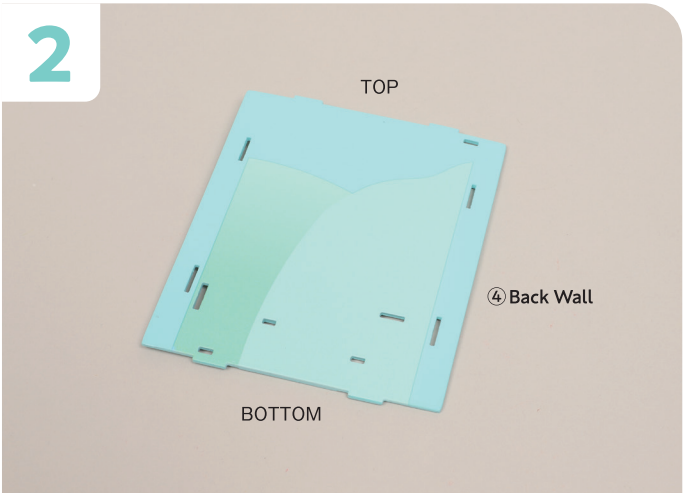

Next, assemble the ② Left Wall with the Floorboard.

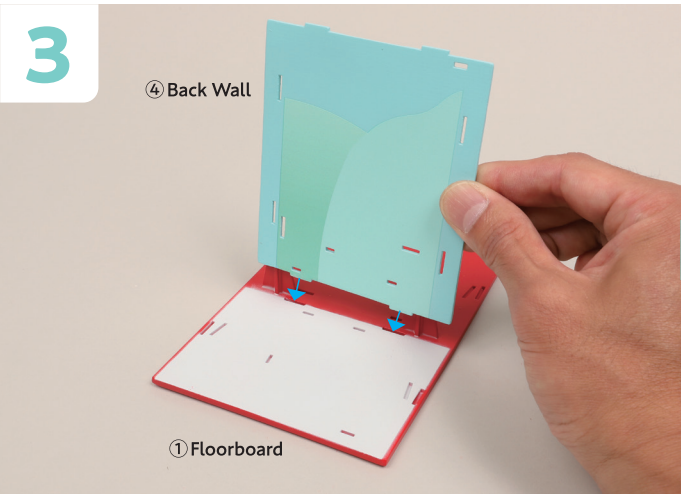

ASSEMBLING THE FLOORBOARD, BACK WALL, LEFT & RIGHT WALLS

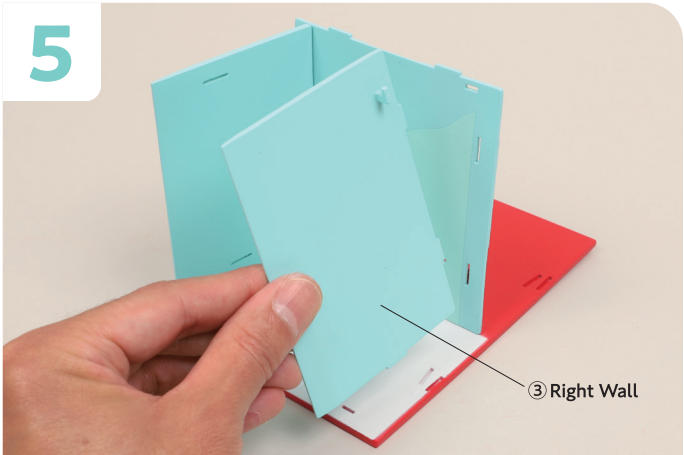

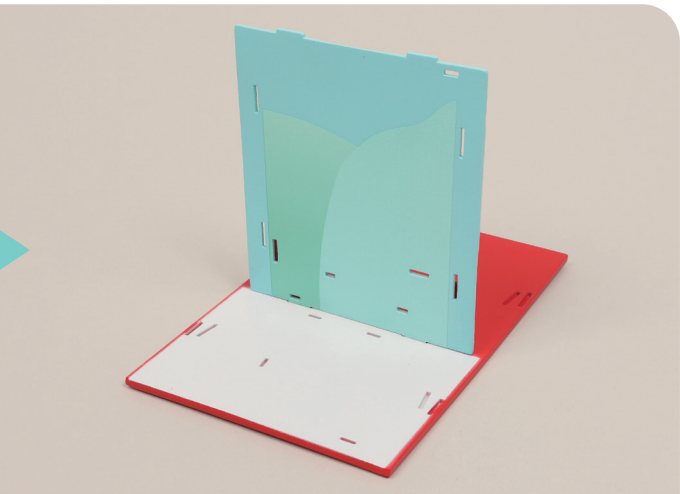

Check the orientation of the ① Floorboard-The side painted in white is the 【Summer Camp】 side.

Also check the orientation of the ④ Back Wall-be careful not to mistake the top and bottom.

Apply quick-drying glue to the grooves of the ① Floorboard and assemble the ④ Back Wall as before.

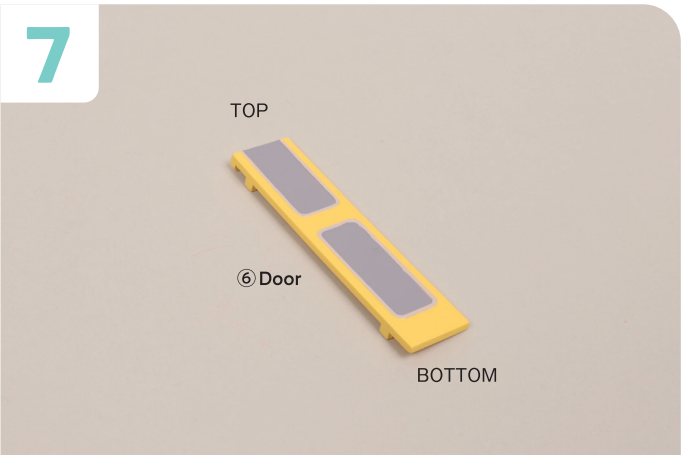

Assemble the ③ Right Wall in the same way.

ASSEMBLING THE SCHOOL BUS

Check the orientation of the ⑤ School Bus.

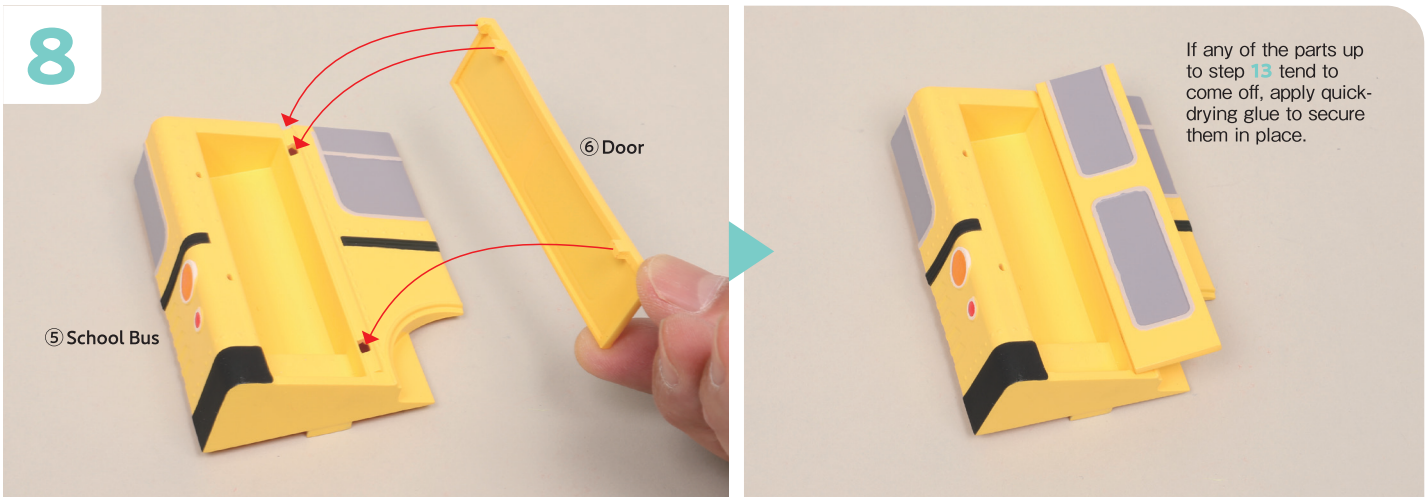

Also check the orientation of the ⑥ Door-be careful not to mistake the top and bottom.

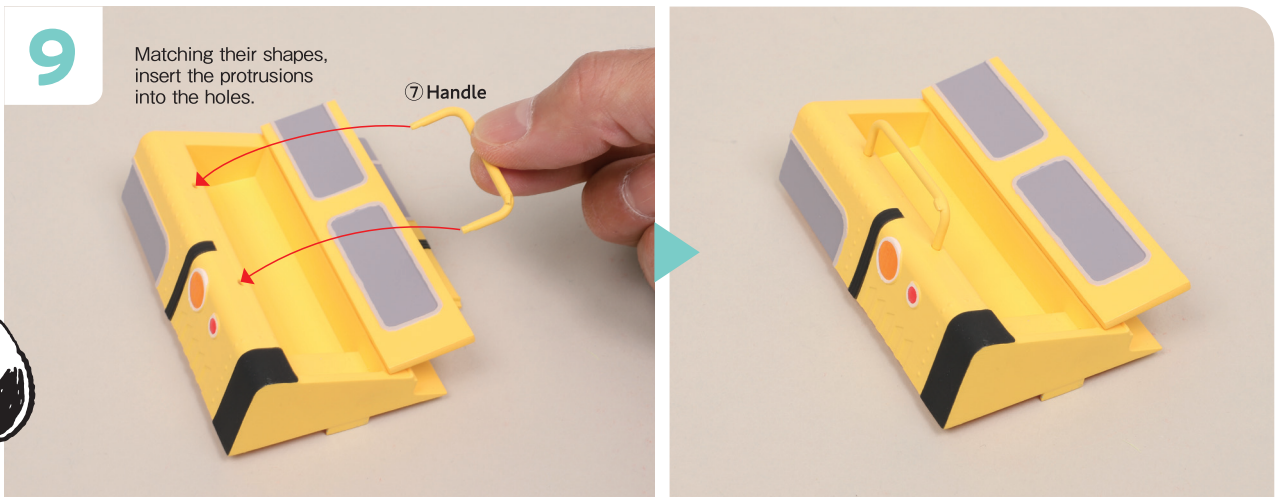

Assembling the School Bus

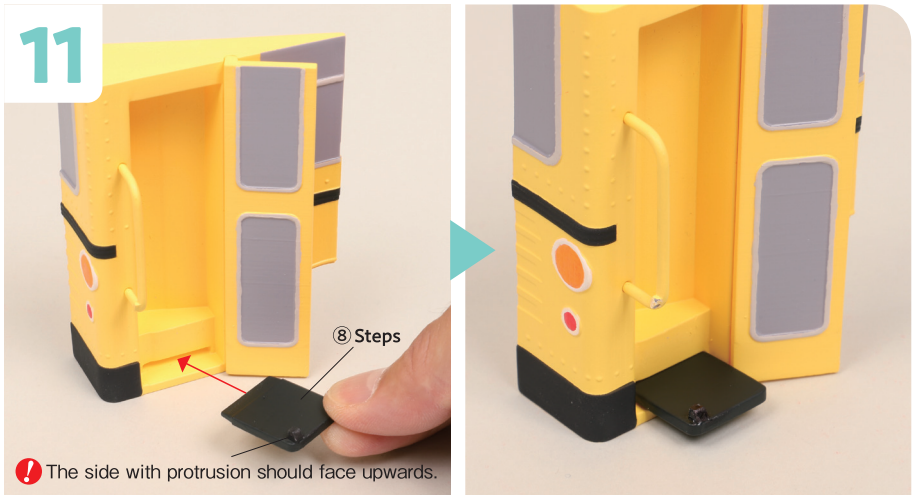

Assemble the ⑥ Door to the ⑤ School Bus by inserting its protrusions into their respective holes in the indentation of the School Bus.

Insert both ends of the ⑦ Handle into the holes of the ⑤ School Bus.

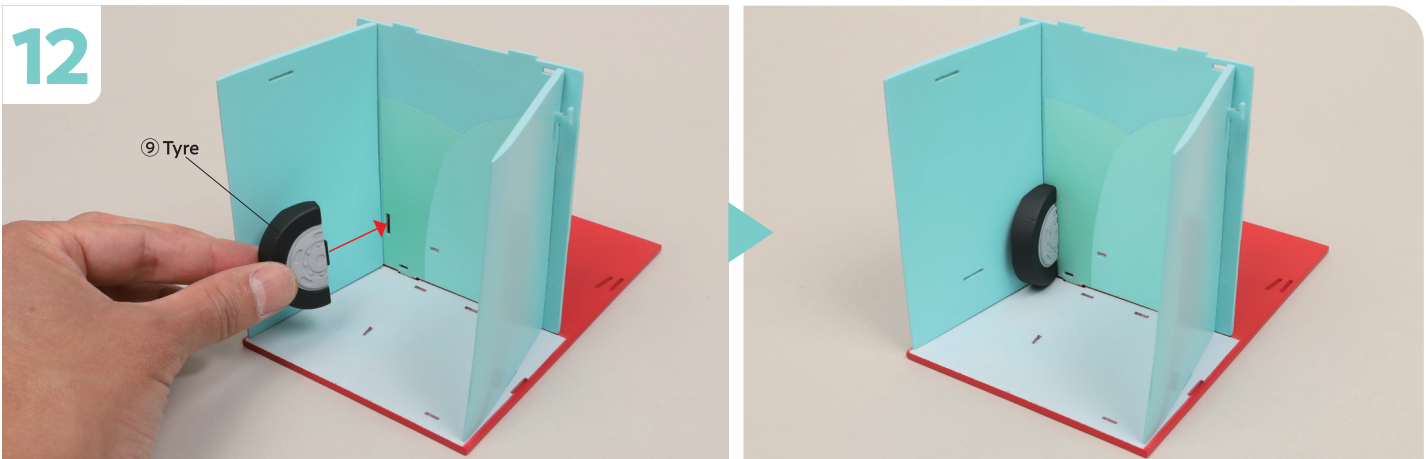

The protrusion on the ⑧ Steps is used to display the figurine.

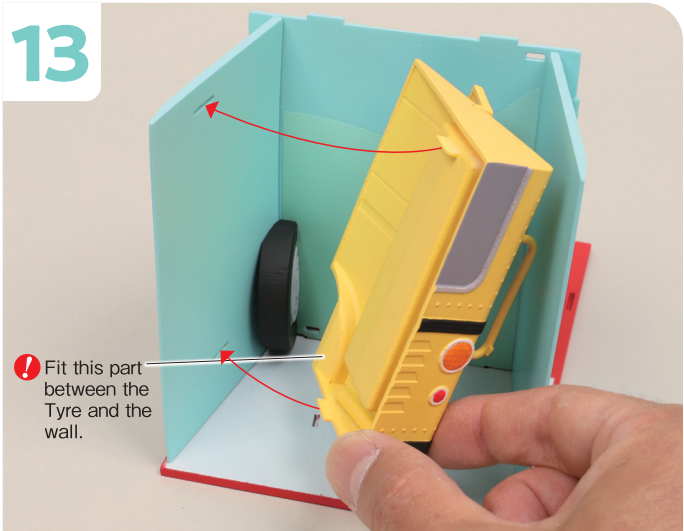

Insert the end of the Steps all the way into the groove of the School Bus as shown.

Assembling the School Bus

Insert the protrusion of the ⑨ Tyre into the hole in the Back Wall.

Assemble the School Bus' body from step 11 with the wall by inserting its top and bottom protrusions into the holes in the Left Wall.

Issue 29 Completed

The addition of the School Bus has given the 【Summer Camp】 scene some extra dynamism. The rest will be assembled in the next issue.

Let's display the figurine to have a look

Align the ⑩ Lucy figurine with the Steps of the School Bus and the protrusion on the Handle to set her in position. Do not glue her in place yet, as she will be detached in the next issue.
