Figurine for the 【Piano】 scene

LEFT WALL

We will also assemble the Left Wall to the lower side of the doghouse that has been assembled so far, and secure it with joint parts.

Schroeder playing the piano, musical notes and Snoopy are a classic combination, as depicted in 11th October 1989's single panel comic strip.

MAKING THE PIANO

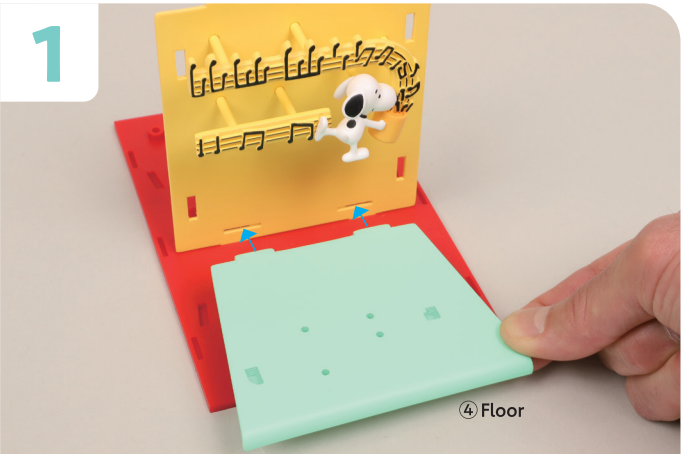

Use a cutter knife to cut the ⑤ Legs along the seams.

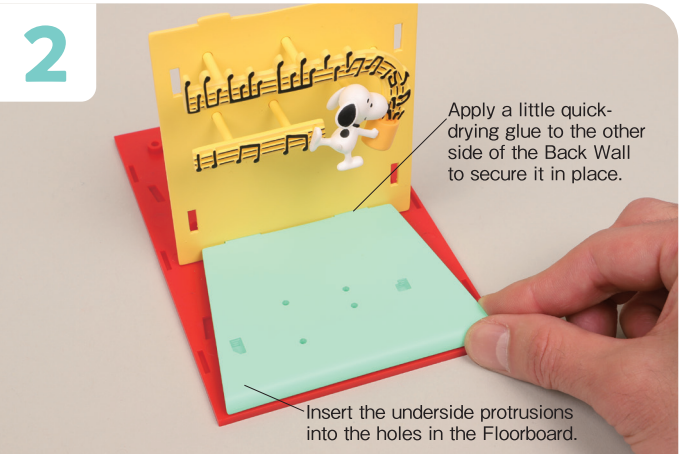

Insert the ⑤ Leg's thicker end into the hole on the back of the ⑥ Piano. If it comes off easily, apply a little quick-drying glue to secure it in place.

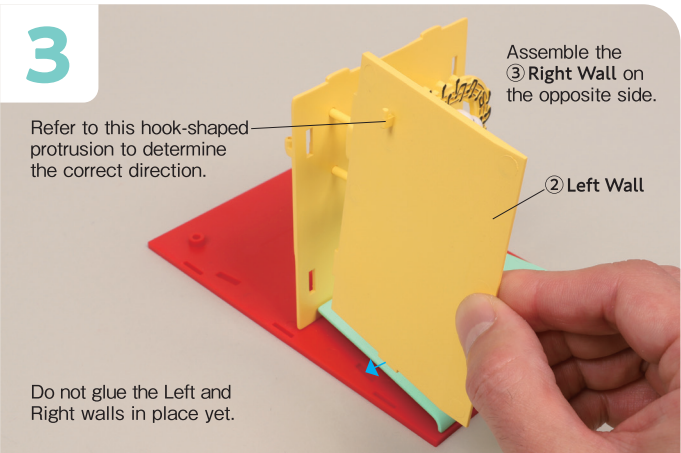

ASSEMBLING THE FLOOR, LEFT AND RIGHT WALLS

Get the 【Piano】 scene assembled in issue 66 ready, and assemble the ④ Floor to the Back Wall by inserting its rear protrusions into the holes in the Back Wall.

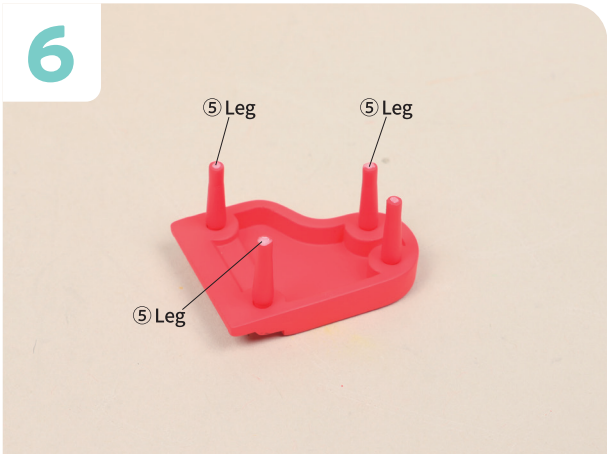

Press the front edge of the ④ Floor against the Floorboard, and insert its underside protrusions into the holes in the Floorboard.

Assemble the ② Left Wall on the left side of the Floorboard as before. Assemble the ③ Right Wall on the opposite side as well.

The Floor and Left and Right Walls have now been assembled to the 【Piano】 scene. Let's go on to make the Piano.

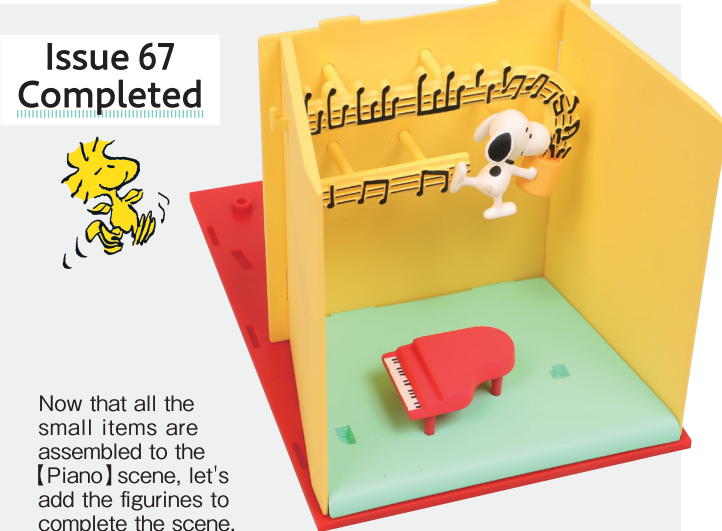

Insert one ⑤ Leg into each of the remaining three holes in the same manner. If they come off easily, apply a little quick-drying glue to secure them in place.

Now assemble the Piano to the Floor by inserting the end of each Leg into the four holes shown.

Insert the Legs all the way into the holes. If they come off easily, apply a little quick-drying glue to secure them in place.

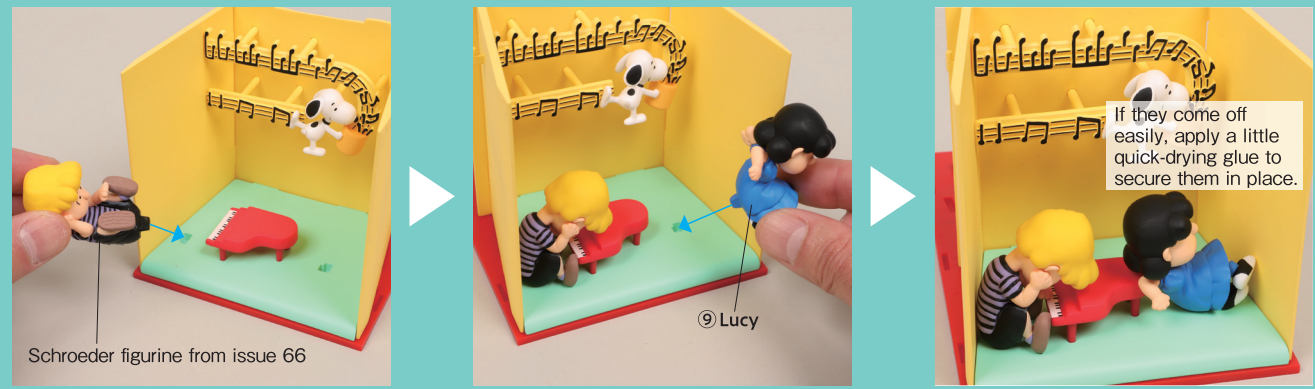

Now that all the small items are assembled to the 【Piano】 scene, let's add the figurines to complete the scene.

Adding the figurines

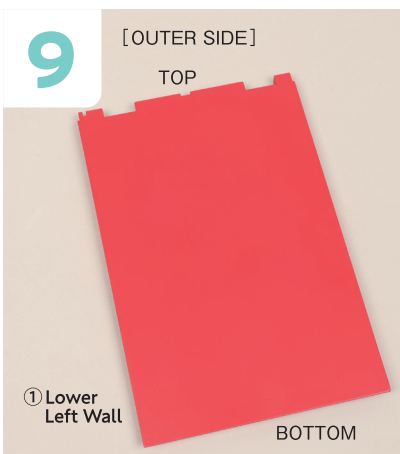

Insert the bottom protrusions of the Schroeder figurine from issue 66 and the ⑨ Lucy figurine into the holes in the Floor in the positions shown.
