ASSEMBLING THE WALLS AND GROUND

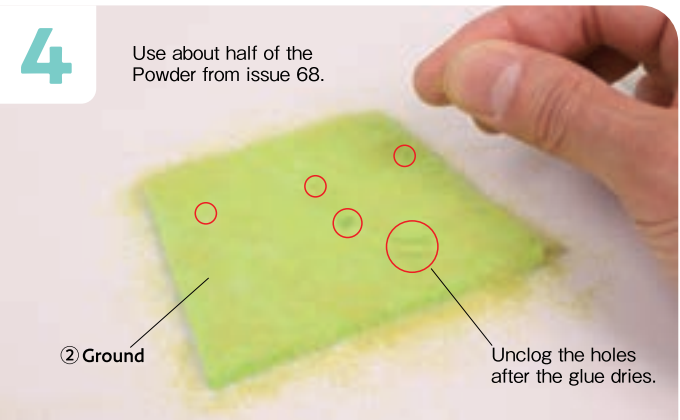

The 【Love Letter】 scene is on the other side of the 【Sunset】 scene. First, get ready the 【Love Letter/Sunset】 scene box assembled so far and remove the temporarily assembled Exterior Walls.

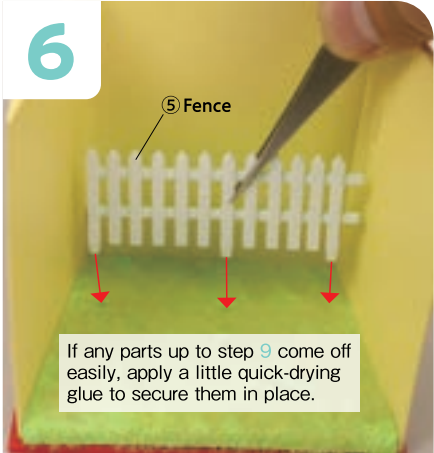

Apply a little quick-drying glue to the grooves of the Floorboard and assemble the ① Back Wall as before.

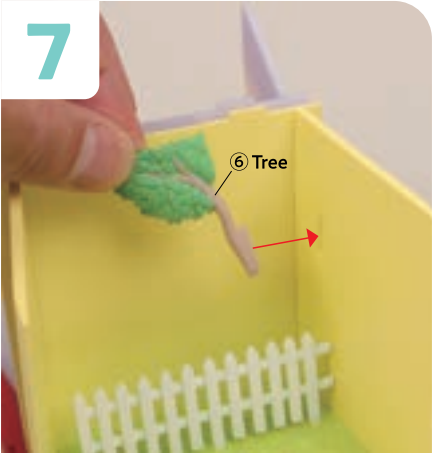

As before, assemble the ③ Left Wall and ④ Right Wall to the left and right sides of the Floorboard respectively.

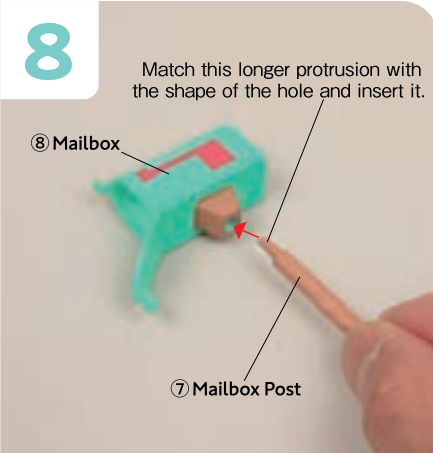

As before, add a few drops of neutral detergent to the water-diluted wood glue and apply it to the ② Ground. Then take about half of the green Powder from issue 68 and sprinkle it on the Ground.

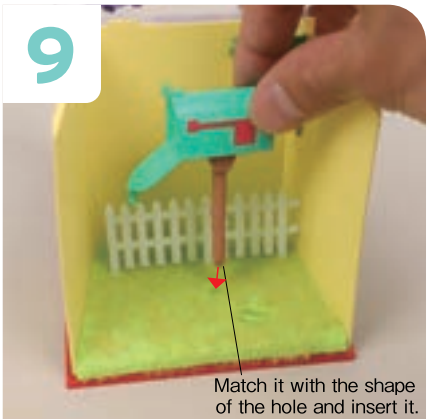

Fit the ⑤ Fence onto the Ground in the orientation shown by inserting its lower ends into the holes in the Ground.

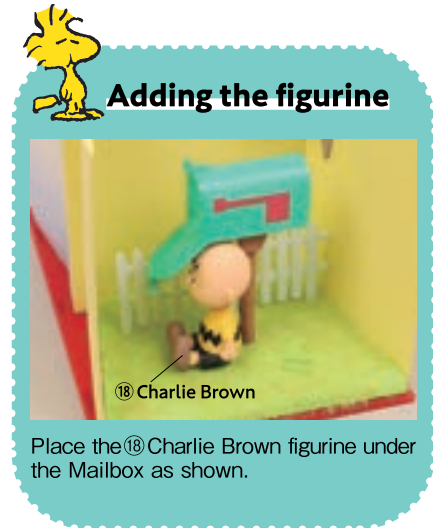

Assemble the ⑥ Tree onto the Right Wall by inserting its protrusion into the hole in the wall.

Fit the ⑦ Mailbox Post to the bottom of the ⑧ Mailbox.

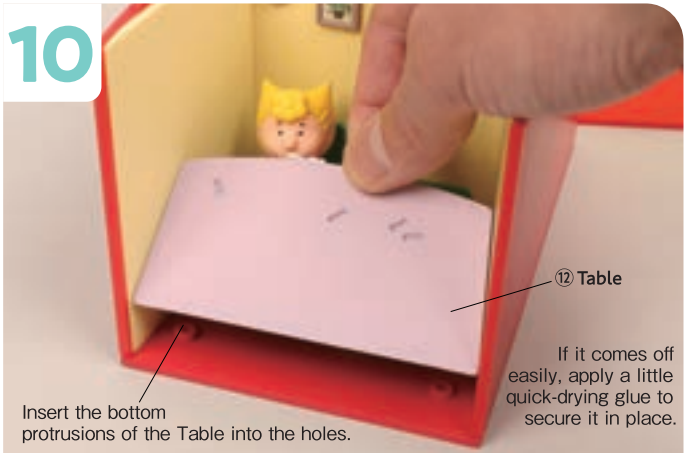

Assemble the Mailbox from step 8 onto the Ground by inserting the lower end of its post into the hole in the Ground.

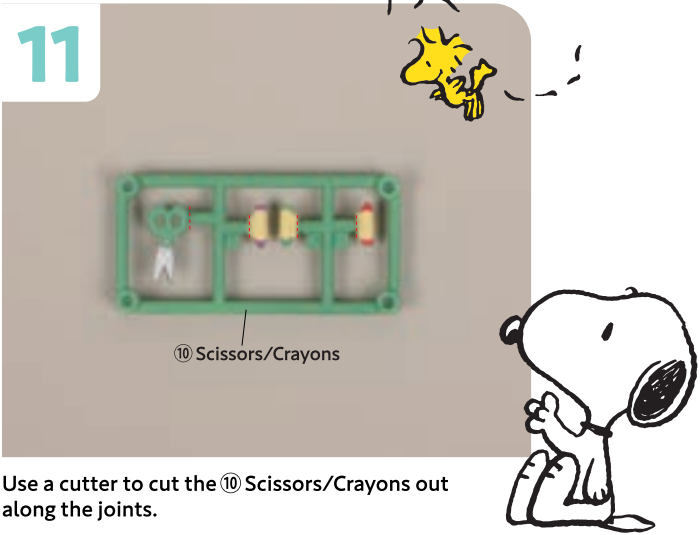

MAKING THE TABLE, CRAYONS, CURTAIN, ETC.

Get ready the [Valentine's Day] scene assembled in issue 71, and assemble the ⑫ Table to the Floorboard by inserting its bottom protrusions into the holes in the Floorboard.

11

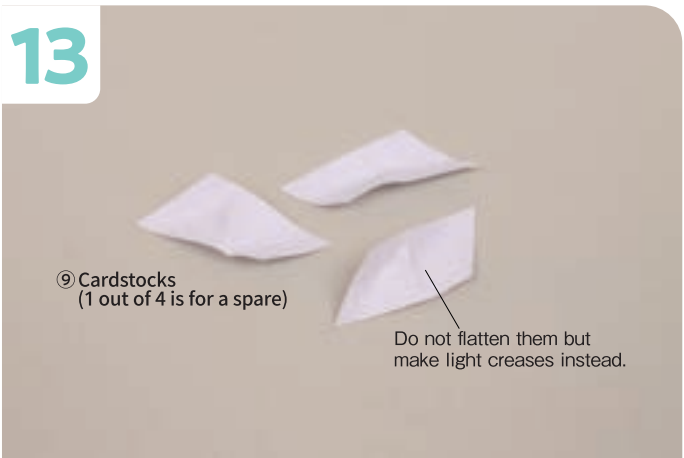

Use a cutter to cut the ⑩ Scissors/Crayons out along the joints.

12

Fit the Scissors and 3 Crayons onto the Table as shown by inserting their underside protrusions into the holes in the Table.

13

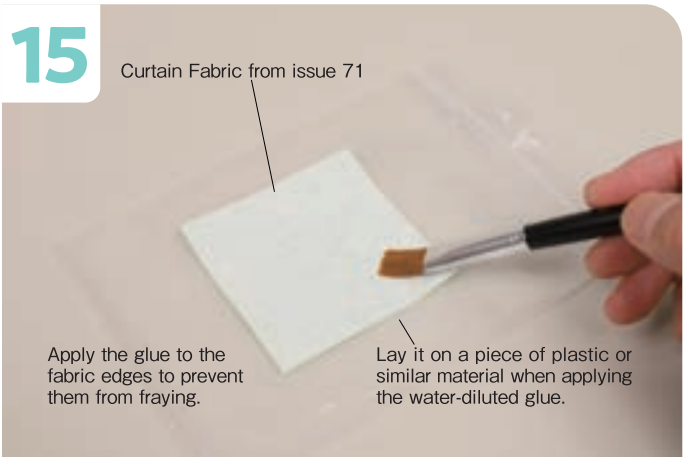

Use a cutter to cut the ⑨ Cardstocks out along the seams and make creases as shown.

14

Affix three ⑨ Cardstocks from step 13 onto the Table in a balanced arrangement using wood glue or matte medium.

Making the Table, Crayons, Curtain, etc.

16

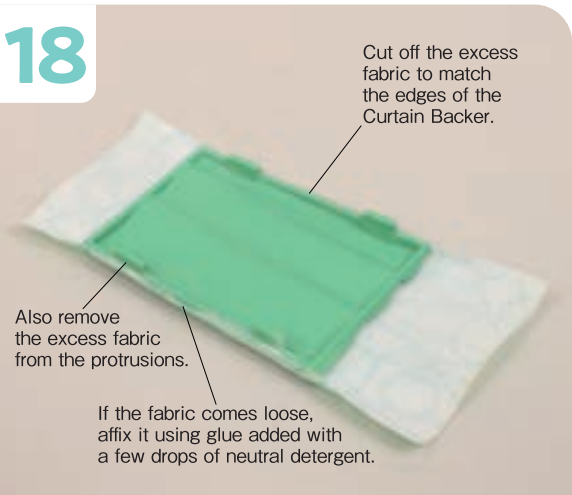

Apply double-sided tape to the ⑪ Curtain Backer as shown.

17

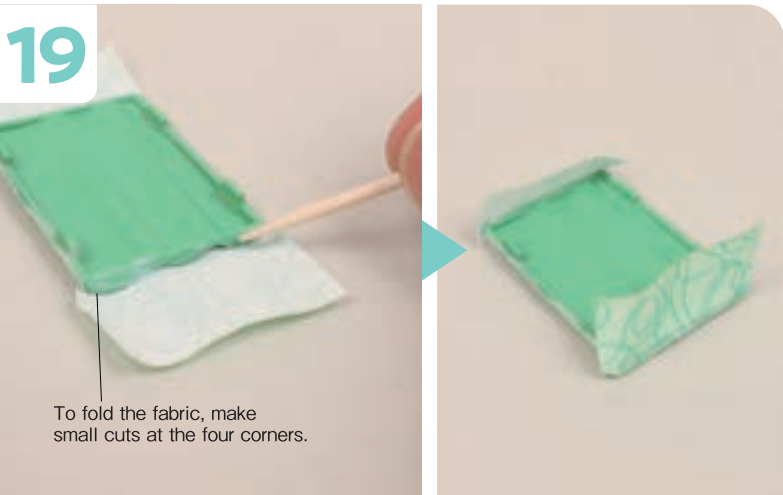

Peel off the backings from the double-sided tape strips on the Curtain Backer and place the backer on the Curtain Fabric. To avoid bulging, press it down firmly as you affix it.

18

Cut off the excess fabric on the left and right sides of the Curtain Backer with a cutter.

19

Add a few drops of neutral detergent to the glue and apply it to the thick pads at the top and bottom edges of the Curtain Backer. Then fold over the top and bottom edges of the fabric and affix them.

20

After the glue dries, cut off any excess fabric from the top and bottom edges of the Curtain Backer using a cutter.

21

Fit the Curtain from step 20 onto the Back Wall by inserting its four protrusions into the holes in the wall.

Issue 72 Completed
