Parts of issue 89

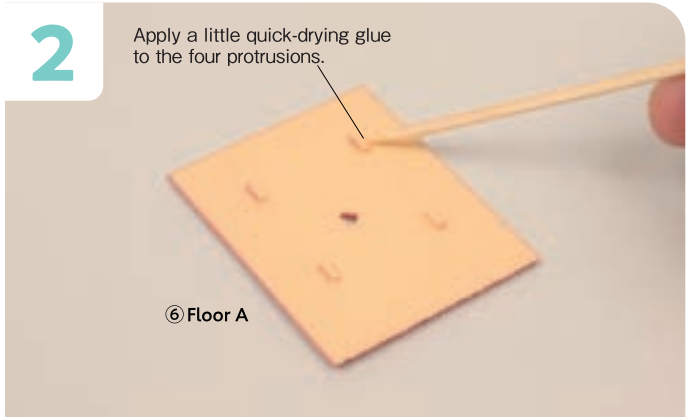

- ① Exterior Wall×2 ② Backboard ③ Ceiling Top Panel ④ Floorboard ⑤ Back Wall ⑥ Floor A ⑦ Floor B
⑧ Connection Cable ⑨ Screw (PB2×6mm)×5 (1 for spare) 【Figurine】 ⑩ Snoopy's Dad

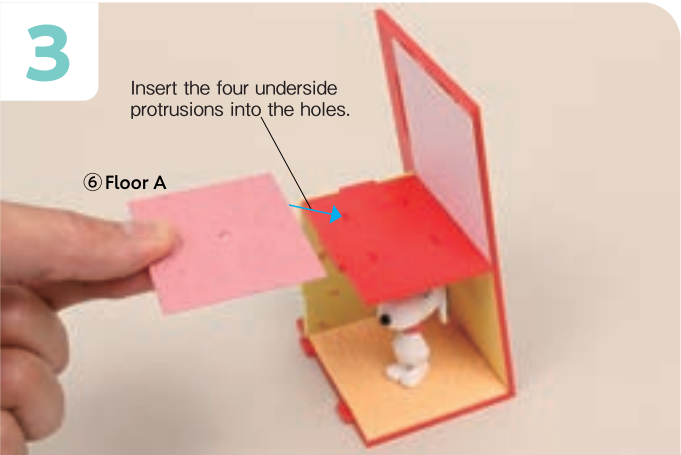

ASSEMBLING THE FLOOR AND BACK WALL

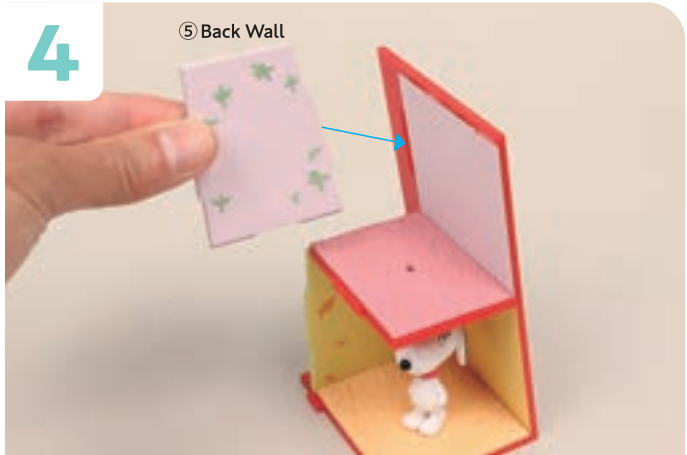

Check the orientation of ⑥ Floor A.

Apply a little quick-drying glue to the four underside protrusions of ⑥ Floor A with the tip of a toothpick or the like.

Before the glue dries, assemble ⑥ Floor A to the 【Belle】 box assembled in issue 88.

Assemble the ⑤ Back Wall onto the top of the Floor and insert its right-side protrusions into the holes in the Right Wall.

Assembling the Floor and Back Wall

Interlock the stepped edges at the bottom of the ⑤ Back Wall.

Issue 89 Completed

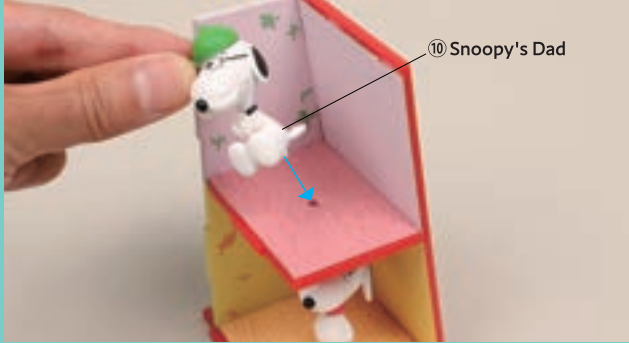

Other parts including the Ceiling of the 【Snoopy's Dad】 box will be assembled in the next issue.

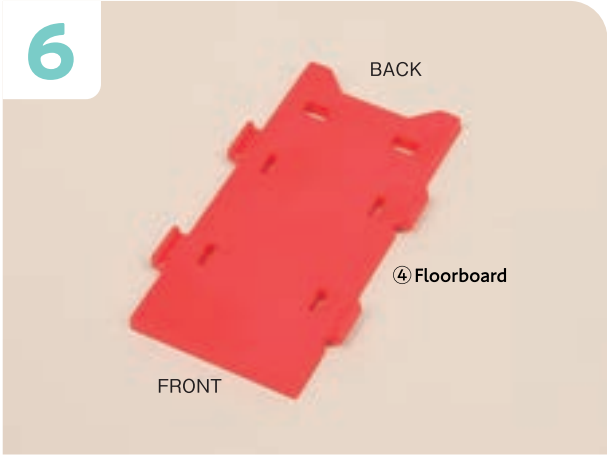

Adding the figurine

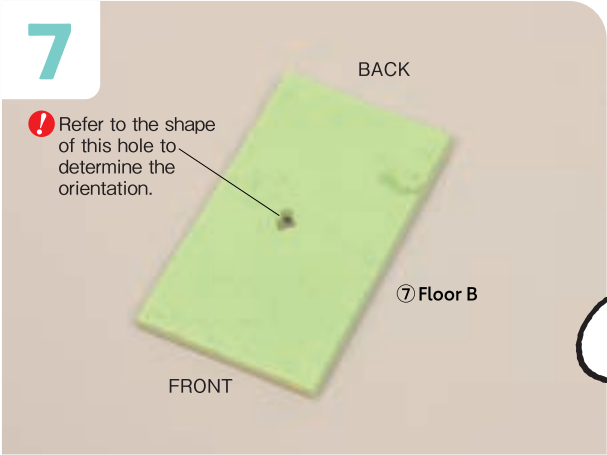

Match the shape of the bottom protrusion of ⑩ Snoopy's Dad figurine with that of the hole in the Floor and insert it. If it falls off easily, apply a little quick-drying glue to secure it in place.

ASSEMBLING THE FLOORBOARD AND FLOOR

Check the orientation of the ④ Floorboard.

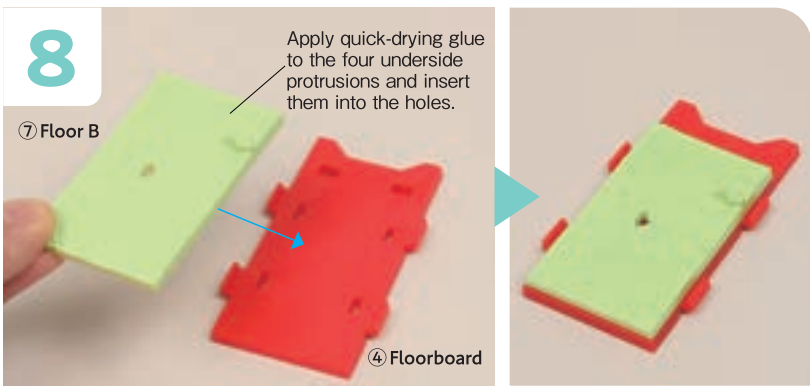

Check the orientation of ⑦ Floor B.

Assembling the Floorboard and Floor

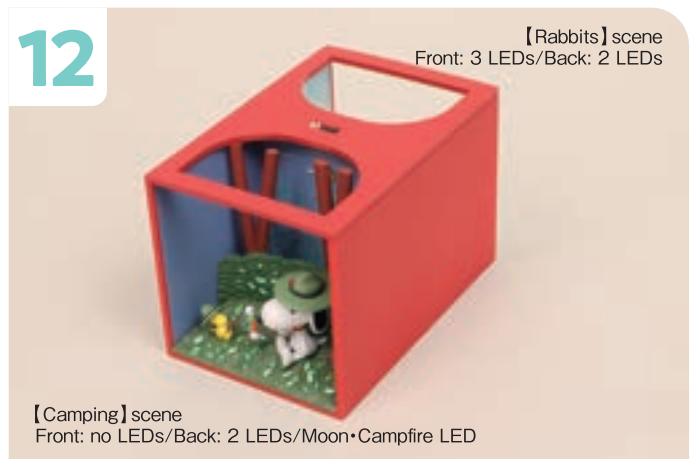

Assemble ⑦ Floor B onto the top of the ④ Floorboard as in steps 2~3.

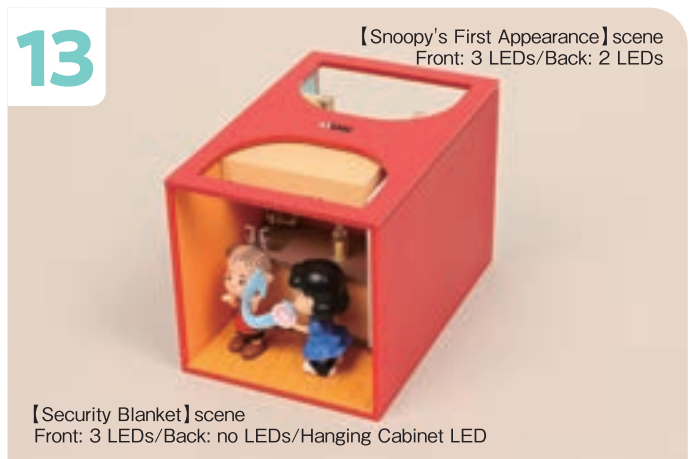

Issue 89 Completed

The Floor is now assembled to the Floorboard of the upper Figurine Box [Andy] on the upper right side of the doghouse. Other parts will be assembled in the next issue.

Checking the Ceiling orientations

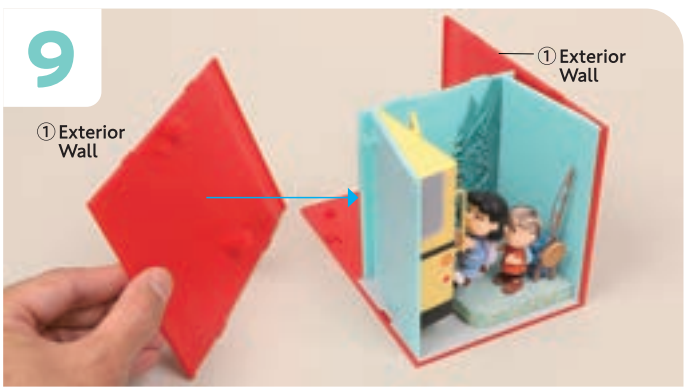

The front and back LED configurations in the [Rabbits/Camping] scene box are not symmetrical either.

The LED configurations in the [Security Blanket/Snoopy's First Appearance] scene box are as shown.

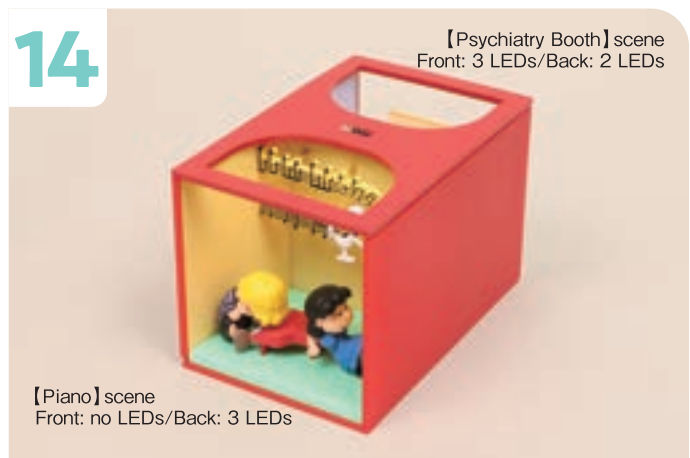

TEMPORARILY ASSEMBLING THE EXTERIOR WALLS

Get ready the [Summer Camp/Christmas Tree] scene box previously assembled, and assemble the ① Exterior Walls by aligning and assembling the protrusions and tabs.

Issue 89 Completed

We will secure the Exterior Walls in place once the [Christmas Tree] scene is assembled.

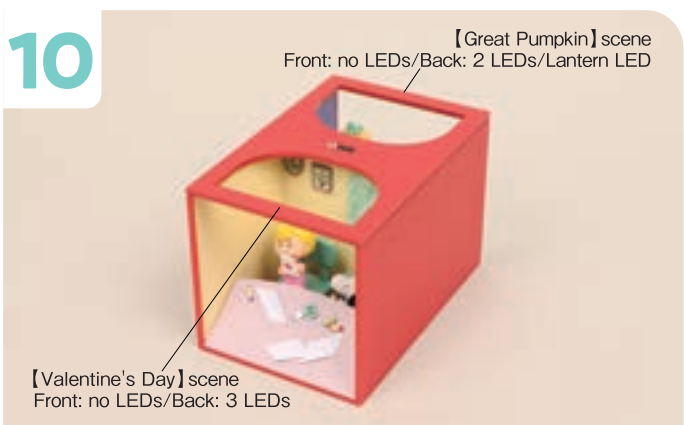

The LED configurations in the [Piano/Psychiatry Booth] scene box are as shown.

The LED configurations are the same for the [Mother's Day/Kite-flying], [Easter/3 Brothers] and [Woodstock's Nest/Football] scene boxes.

CHECKING THE CEILING ORIENTATIONS

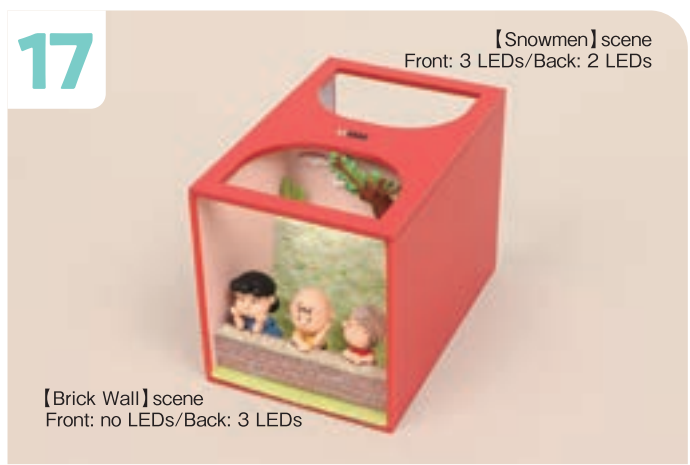

Now check the Ceiling orientations of the scene boxes completed so far. The LED configurations in the [Valentine's Day/Great Pumpkin] scene box are different.

The front and back LED configurations in the [Love Letter/Sunset] scene box are also different.

The LED configurations in the [Ice Cream/Santa Claus] scene box on the lower part of the doghouse are different.

The LED configurations in the [Brick Wall/Snowmen] scene box are also different.
