DOOR, SHOWCASES

We will assemble the background of the 【Out Together】 scene by assembling the left and right Showcases with the Door in the middle, and assembling them to the Back Wall.

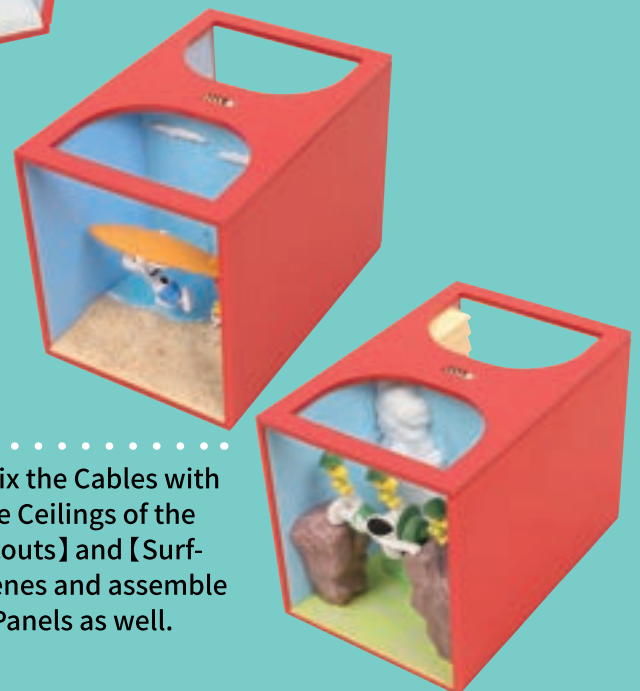

LEDs

We will affix the Cables with LEDs to the Ceilings of the 【Beagle Scouts】 and 【Surfboard】 scenes and assemble the Inner Panels as well.

SCORECARD

We will also set up a Stand to the right of the Ground in the 【Baseball Team】 scene, and affix the Scorecard and Bats.

Parts of issue 98

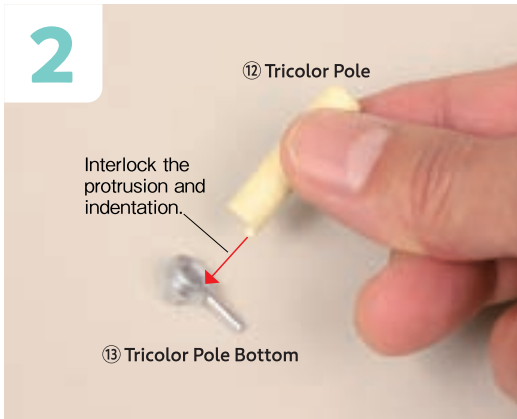

- ① Showcase A ② Door ③ Showcase B ④ Plastic Sheet A ⑤ Plastic Sheet B ⑥ Plastic Sheet C ⑦ Plastic Sheet D ⑧ Sticker ⑨ Door Sign
⑩ Tricolor Pole Sticker ⑪ Tricolor Pole Top ⑫ Tricolor Pole ⑬ Tricolor Pole Bottom ⑭ Chandelier A ⑮ Chandelier B ⑯ Lampshade
⑰ Lamp A ⑱ Lamp B ⑲ Stand ⑳ Scorecard ㉑ Bats ㉒ Short Cable with LEDs×2 ㉓ Long Cable with LEDs×2 ㉔ Inner Panel×2

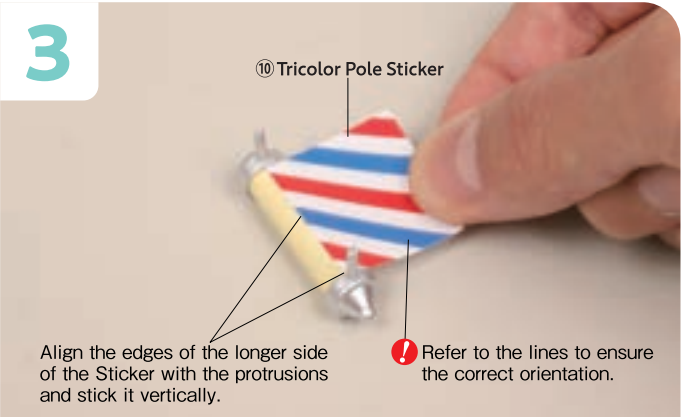

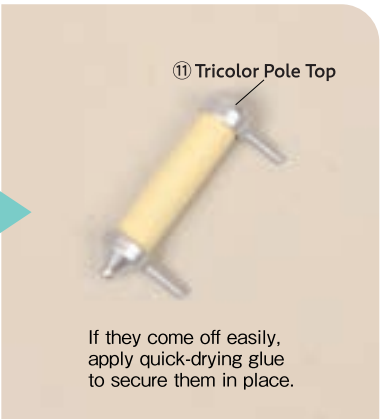

ASSEMBLING THE DOOR AND SHOWCASE

Please do not mix up the ⑪ Tricolor Pole Top and ⑬ Tricolor Pole Bottom.

Assemble the ⑫ Tricolor Pole with the ⑬ Tricolor Pole Bottom as shown in the left photo, and the ⑪ Tricolor Pole Top to its opposite side (right photo).

Peel off the backing on the back of the ⑩ Tricolor Pole Sticker, and stick one end to the Tricolor Pole as shown.

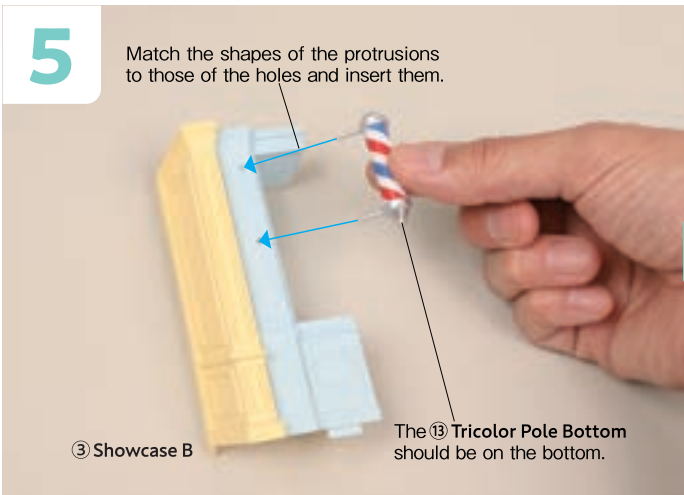

Wrap the Sticker around the Tricolor Pole, taking care to avoid creases.

Assembling the Door and Showcase

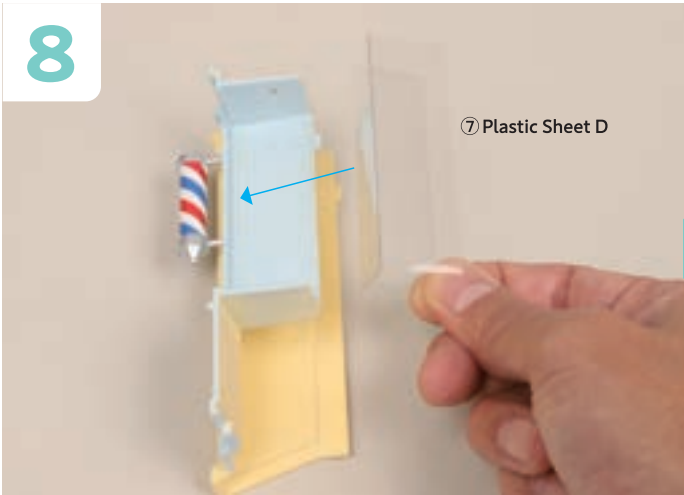

Assemble the Tricolor Pole of step 4 to ③ Showcase B as shown.

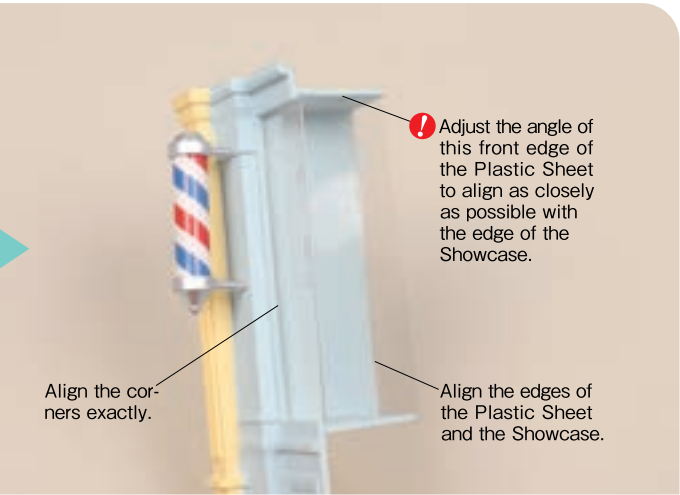

Peel the protective films off both sides of ⑦ Plastic Sheet D, and fold the left and right sides forward along the lines.

Cut and apply double-sided tapes of about 2mm width to ③ Showcase B in the positions shown.

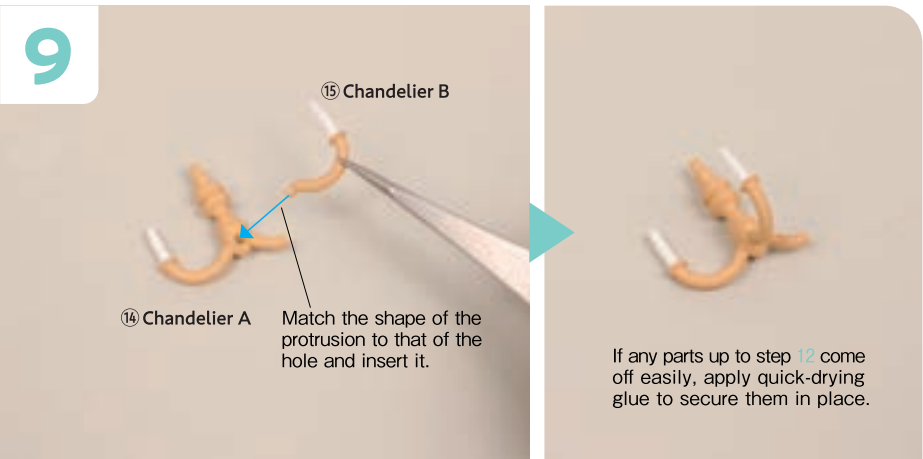

Peel off the backings of the double-sided tapes applied in step 7, and affix ⑦ Plastic Sheet D of step 6 as shown.

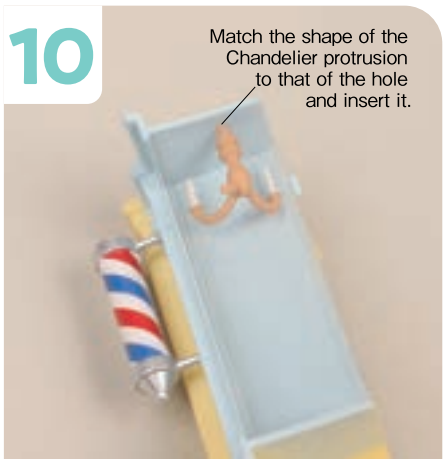

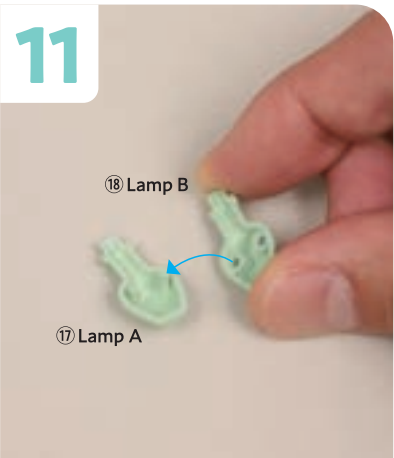

Assembling the Door and Showcase

Assemble ⑭ Chandelier A with ⑮ Chandelier B.

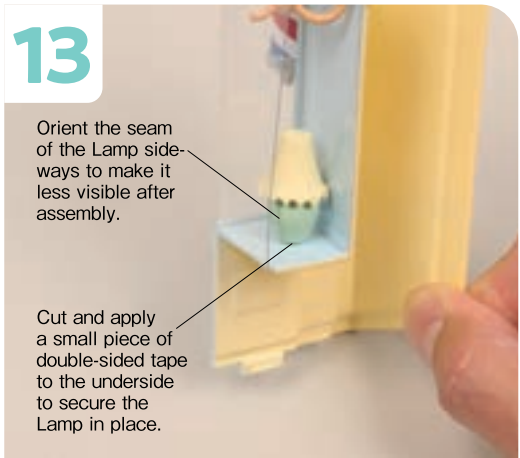

Assemble the Chandelier to the inner side of the Showcase of step 8.

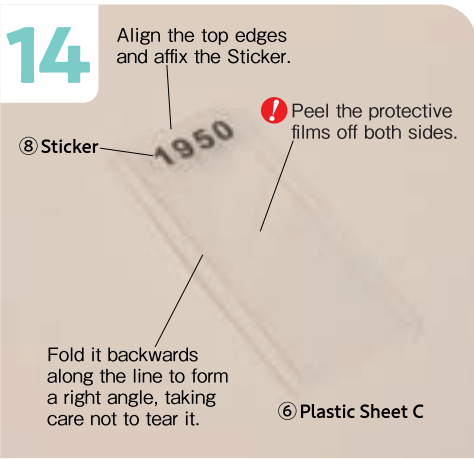

Assemble ⑰ Lamp A with ⑱ Lamp B by inserting the two protrusions into the holes.

Insert the protrusion of the Lamp of step 11 into the hole inside the ⑯ Lampshade.

Now place the Lamp inside the Showcase of step 10. Cut and apply a small piece of double-sided tape to its underside to secure it in place.

As in step 6, peel the protective films off ⑥ Plastic Sheet C, fold the left and right sides backwards along the lines, and affix the ⑧ Sticker onto the upper side.

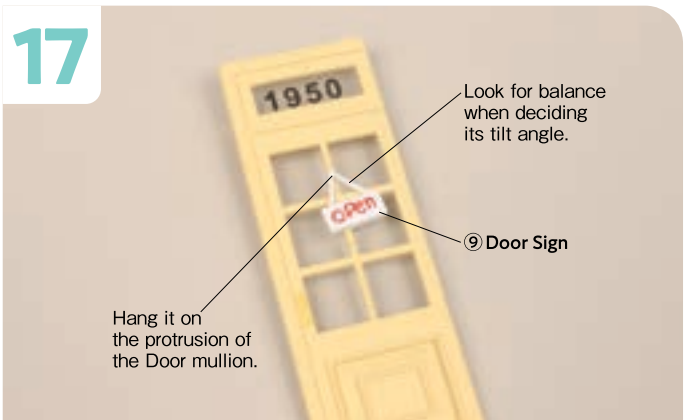

Apply double-sided tapes of about 2mm width to the back of the ② Door in the three positions shown.

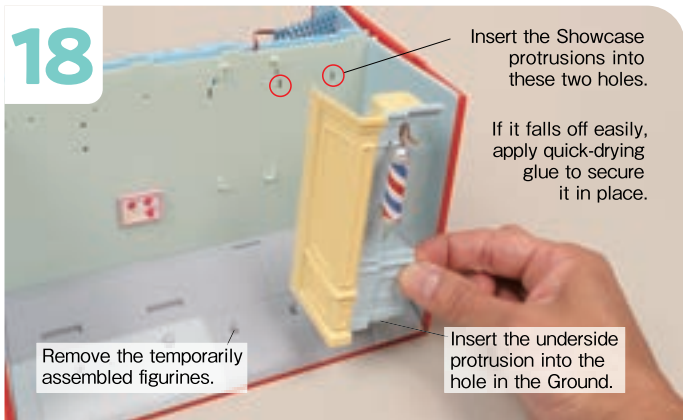

Peel off the double-sided tapes' backings, and affix ⑥ Plastic Sheet C of step 14 as shown.

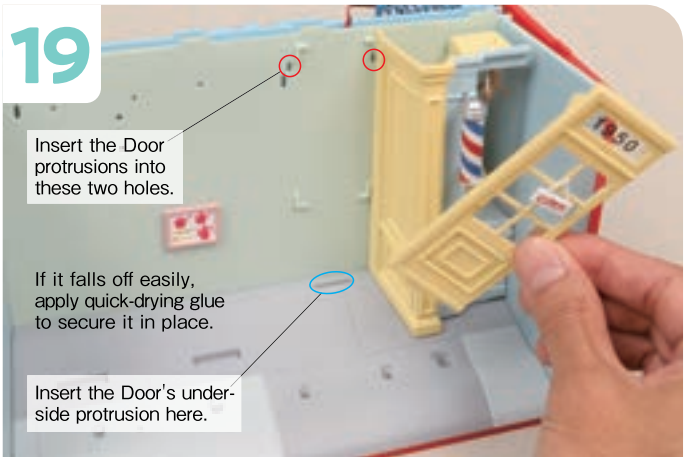

Assembling the Door and Showcase

Now glue the ⑨ Door Sign onto the front side of the Door. Look for balance when deciding its position and tilt angle, and secure it to the Door mullion with quick-drying glue.

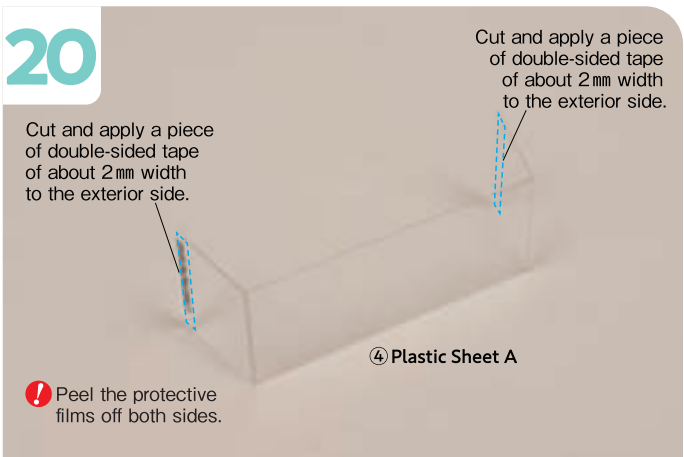

Get ready the 【Out Together】 scene assembled so far, and assemble the Showcase of step 13 on the right side.

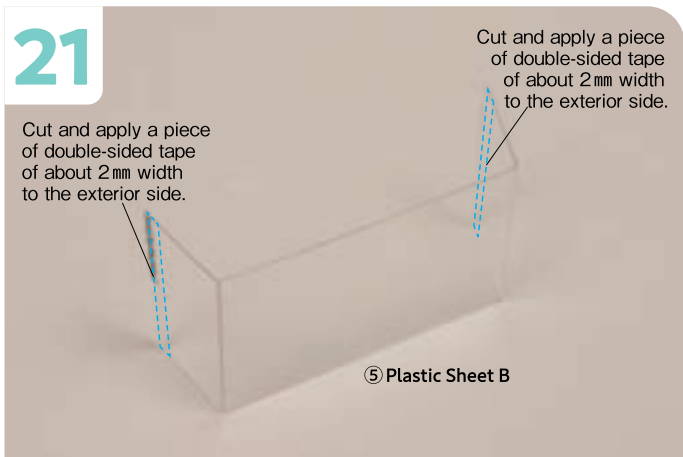

Assemble the Door of step 17 next to the Showcase in the same manner.

ASSEMBLING THE LARGE SHOWCASE

As in step 6, peel the protective films off ④ Plastic Sheet A, fold the left and right sides, and cut and apply double-sided tapes of about 2mm width to both edges.

Similarly, peel the protective films off ⑤ Plastic Sheet B, fold the left and right sides, and cut and apply double-sided tapes of about 2mm width to both edges.

Assembling the large Showcase

22

Peel off the double-sided tapes' backings on ⑤ Plastic Sheet B of step 21, and affix the sheet to the inner side of ① Showcase A as shown.

23

Affix ④ Plastic Sheet A of step 20 to the lower side of ① Showcase A in the same manner.

24

Get ready all the Toys from issue 97, and lay them on the lower shelf of Showcase A. Consider the positions of the figurines after assembly, and arrange the Toys in a well-balanced manner.

25

Get ready the Woodstock and Friend A figurine from issue 95, and fit it to the Showcase in the position shown.

26

Temporarily assemble the Showcase to the 【Out Together】 scene. Do not secure it in place yet, as it will be removed in the next issue.

Issue 98 Completed

Put the figurines back to complete the scene. Do not glue the figurines in place yet, as they will be removed in the next issue.

MAKING THE SCORECARD AND MORE

27

Assemble the ⑱ Stand to the hole on the right side of the Ground of the 【Baseball Team】 scene by inserting its protrusion into the hole.

28

Affix the ⑳ Scorecard on the Stand as shown.

Issue 98 Completed

Place the ㉑ Bats upright against the ⑱ Stand to complete the scene. It is advisable to secure it in place with quick-drying glue.

FITTING THE LEDS

29

Get ready the Ceiling of the 【Surfboard/Figure Skating】 scene box, and affix the ㉒ Short Cable with LEDs and ㉓ Long Cable with LEDs. Lead the cables as shown, and plug their connectors into the sockets on the Circuit Board.

30

As we did before, connect it to the Battery Box and other parts, check that the LEDs light up properly, and assemble the ㉔ Inner Panel.

31

Similarly, affix the ㉒ Short Cable with LEDs and ㉓ Long Cable with LEDs to the Ceiling of the 【Beagle Scouts/Shovelling Snow】 scene box, and assemble the ㉔ Inner Panel.

Issue 98 Completed

Temporarily assemble the Ceilings to the scene boxes. For the 【Beagle Scouts/Shovelling Snow】 scene box, the side without LEDs on the front is the 【Shovelling Snow】 scene.
